Sir,

In reply to your letter No.Fl. 1523 dated the 10th Ap 1902 disallowing Rs.251/- in the " Contingent bill" for Office Furniture I beg to repeat as stated in my letter No. 363 of Jan uary 18th that all the articles required under the head of offi furniture were enumerated in the budget estimate in detail, and that by sanctioning the budget the Government has I take it al- ready sanctioned the purchase of those articles enumerated the in so far as the money sanctioned would permit. The heading " Office furniture" is included under contingencies only as a matter of convenience. There is a marked difference in the nature of the grant for Office furniture and Office contingenci The former is a grant made to purchase a definitely specified number of articles required at the time the grant was made. The other is a provision to meet probable future requirements with no definite statement as to what the requirements are.

Under the circumstances I hope Government will be goo enough to pass the articles disallowed without requiring specia sanction.

I have the honour to be,
sir,
your most obedient servant,

A. Lehmann
